Dear Karl:

Thanks for your note--it was good hearing from you.

At this point I'm swamped and can't help as much as I'd like in your job search. My staff is full and I don't anticipate any openings. However, once you make the contacts, I will try to assist. I suggest that you "paper" the Hill and see what develops.

Let me know what happens.

With best regards,

Patricia M. Derian
Coordinator for Human
Rights and Humanitarian Affairs

Mr. Karl Mertz,
